

STUDENT APPLICATION

Country Christian School is a private, Christian school existing as a ministry of The Country Church. It is our intent that all involved (whether staff or students) reflect the Christian principles set forth in the Bible. Sixth grade – high school students are enrolled on a combination of parental desires, student wishes, and administration approval. Each student must be willing to live by the expected rules of conduct as set forth in the handbook. Therefore, the application/interview process is part of the consideration before enrollment.
